## Kingdom OF YAH OF HOSTS

Ambassador Michael Israel

### Greetings In the name of the Living Creator, Yah of Hosts

Dear Congregation member;

Enclosed you will find the Sovereign Covenant of Yah of Hosts; three (3) pages. This document is perhaps one of the most solemn communications that bears witness of your dedication and sincerity in making the necessary adjustments in your life from the terrible habits and vices inherited by our forefathers and practiced by us all up to this day and time.

It is important to understand that this document, called the Sovereign Covenant of Yah of Hosts is an agreement between you and the Living Creator of Heaven and Earth. No man has any business stepping between you and your right to access Yah of Hosts, our heavenly father. This is a personal agreement between the two of you.

This document has everything to do with your right to expression and worship, and it is authentic for anyone of Hebrew descent. It is also based upon the ancient writings and practices of our forefathers, Abraham, Isaac, and Jacob.

### **Instructions:**

If at all possible have your Hebrew minister, or someone witness your reading of the document out loud; for you are swearing to the Creator the written contents of the Covenant, and the words must proceed out of your mouth. If you can not speak, then after you read the Covenant have someone witness that you read and agreed to it.

You only need to return page three (3) back to the Sanctuary for endorsement were the ministerial seal of the Ambassador and the vines will be stamped on the borders. The vines are symbolic of Yah of Hosts saying that Israel is His vineyard.

After the document is authenticated a copy will be made of the third page for Sanctuary records and the original will be returned to you. This document is yours forever!

It is with great pleasure and satisfaction that Covenant House of Yehudah; the ministerial branch of the Kingdom of Yah of Hosts, is able to be of service to you and that we are eternally grateful for you allowing us to be a part of your atonement and homecoming back to our heavenly father; His name is Yah of Hosts.

Blessing and prosperity to you and yours,

Ambassador Michael Israel
