

**Kingdom of Yah of Hosts  
NATIONAL FLAG**

I Greet you in the name of our power; Yah of Hosts.

I am Ambassador Michael Ward-Israel; the staff of the Kingdom of Yah of Hosts welcomes all brothers and sisters from the 12 Tribes of Israel (Jacob) scattered throughout the world.

We invite you to view the Mission Statement and related articles so that you will get a good understanding of whom and what we stand for. We believe in unwavering sound morals and ethics.

As your Ambassador I assure you that all of the staff of the Kingdom of Yah of Hosts represent our entire Nation, no matter what walk of life you are from. It is our desire to assist those whom society may have given up on,..... and have pretty much tossed away the key.

If you have in your background behavior that is considered to be detestable such as gangbanging, prostitution, drugs, etcetera.... and you are willing to change permanently from illicit conduct, we will help you take steps that are necessary to clean up your life; .....if you have made up your mind to never return to sin. The assistance offered is not limited to individuals with the aforementioned background, but to anyone seeking positive changes who are of the descendents of Jacob.

The Kingdom of Yah of Hosts stands ready to help you repair the damage done. We all can return back to the Living Creator and enjoy a rich heritage that we have missed all of our lives. Let us share with you the truth as it was meant to be heard from the mouth of the Living Creator; Yah of Hosts.

Our goals are to fulfill the mandates of Yah in our everyday lives while helping the Israelite Nation cross back over into the bond of the Covenant. We are here to assist Jacob in returning back to Yah. We also are faithful to Yah in conveying the truth as it was meant to be heard from the mouth of Yah; the Living Creator!

Welcome again!

Ambassador Michael Israel
